Cathy Barton & Dave Para - Multi-Instrumentalists

Hammered Dulcimer & More: Fest. Workshops, Concert & Focus Workshop

This all-instrument workshop will stress really fun repertoire Cathy and Dave have learned from the Winfield, Kansas "CARP CAMP." This long-running annual jam camp led by Dave Firestone has produced an extraordinary collection of tunes that Cathy and Dave have incorporated into their performing and teaching repertoire. They welcome any instrument here, from hammered to mountain dulcimer, autoharp, banjo, fiddle, guitar, mandolin, etc., etc. They will provide standard notation, chords, and in some cases, mountain dulcimer and banjo tablature if needed.

CATHY and DAVE are well known for their dynamic performances that show off their multi-instrumental and vocal expertise. Their research and presentation of historic, traditional music draws audiences wherever they perform. Their more than 35 years of playing together have taken them to countless festivals, concert venues, schools and recording studios throughout the U.S. and Europe. The versatile duo perform and conduct workshops with hammered and fretted dulcimers, banjo, guitars and autoharp as well as 'found' instruments like bones, spoons, mouth bow and leaf. Their music ranges from driving string band music to contemplative ballads and airs. They have an admirable knack for music research and finding unusual, catchy songs and tunes from historical sources, their travels and diverse contacts such as being immersed in CARP CAMP. The depth and breadth of their musical talents, kit bag of tunes and songs, and passion for what they do make every contact with them memorable and enjoyable. Come out for a rare opportunity to experience the joy of their music and learn from the best.
