KAREN ASHBROOK

Hammered Dulcimer & Mixed Instruments

Continental / Boombal Tunes - French & Flemish Dance Tunes

The *Boombals* are dances that go into the wee hours with people of all ages. The dances are couple dances - bourrées, schottishes, mazurkas, jigs, and waltzes. KAREN will cover a variety of fun tunes from these traditions.

For Mixed Instruments.

Karen has been involved with the hammered dulcimer since the mid '70's, when she built her first one as a high school project. She has been a pioneer in the promotion of the dulcimer in the U.S., Japan, and more recently in its revival in Belgium. Karen is also a Certified Music Practitioner (CMP), trained to play healing hammered dulcimer music at the bedside of those who are ill and/or dying.
