## **DAVE HAAS**

### **Mountain Dulcimer**

**DAVE** will teach the focus workshop in two parts.

- ***Fancy It Up!***: Breathe new life into fiddle tune standards by adding more notes to the melody line to produce a fancier version of the tunes you already know.
- ***The Music of Turlough O'Carolan***: *Expand your repertoire with the music of this amazing 17th century Irish harper. So many of his tunes are played today. Learn techniques and fingerings to ensure smooth play.*
- Dave is a popular instructor at dulcimer festivals all over the U.S. and in the UK. He also enjoys teaching science as a chemistry Professor at the University of Charleston. One of his favorite teaching activities is to sing chemistry songs (on dulcimer and guitar) with his students. He lives in Charleston, WV, and loves to perform and teach.
